President's Message-October 2011

It's time for an election campaign, no, not the campaign for President of the United States with its impolite discourse. The really important elections are scheduled for December 2011: the annual election of the officers of the Sacramento Fine Arts Center. The nominating committee, chaired by Margaret Pollan, pursuant to the SFAC By-Laws must re-recommend a slate of officers at the November Board of Directors meeting. The November meeting will be held at SFAC on Monday, November 7th at 10 AM.

I invite all members to seriously consider throwing the proverbial hat in the ring. If any of you out there are interested in being part of the future planning for the good of SFAC, then I urge you to contact Margaret and run for office: President, First Vice President, Second Vice President, Secretary and Treasurer. Competition is healthy; we need new thinking, new planning and action, people who are willing to help lead the Center through tough financial times into our coming ten years.

As a non-profit community art outreach, we cannot tread water. We need to expand our scope to include new forms of art media, we need to access new avenues of funding, we need to improve our physical facility and much more. We need to be an active, forward thinking, forward looking group of artists and art lovers so that the Center will survive, that first, then thrive, and continue to inspire the people in our region. We are a unique resource in the Sacramento area, and we need talent and commitment to fulfill our mission.

If holding an SFAC office seems like too much of a commitment, how about serving on a key committee: Fund Raising, Facilities, Public Relations, Workshops and Classes, or our Ten Year Plan Committee?

If any of this strikes a chord, and I beg that it does, please contact Margaret Pollan at (916)-704-8611, through the SFAC office (916-971-3713) or call me directly (916-395-2224).

We need you!!!
